

THE
SIXTY TWO GROUP
OF TEXTILE ARTISTS

LETTER FROM THE CHAIR

Dear members,

I hope that you are well.

In this difficult and strange new world, I have been troubled to know how and what to write to you all. It seems unbelievable that it was only two weeks ago the committee was sitting in the foyer of the Festival Hall and discussing the 62 Group events that were to be happening later in the year. We were mindful of the unfolding crisis but had no idea that measures would escalate so quickly and change all our plans. In these extraordinary times this is a much-shortened newsletter that serves solely to update date you as to what is happening.

The two main events of this year - the 3rd annual lecture at the Fashion and Textile Museum, London, and the Conversations exhibition at St. Barbe Museum and Art Gallery, Lymington - have been postponed. Both venues are very keen to rearrange, and dates will be scheduled when everything is more certain. I will let you know as soon as I have any information.

Occasionally updates from Arts organisations drop into my 62 Group inbox and I have listed below those that may be of interest to some of you. If any of you have other websites with useful or interesting information that you think would be of interest to other members during this period of time, please let me know and I will pass them on to the group.

Take care everyone.

Very best wishes

Anniversary show 2022:

The Fashion and Textile Museum have a very small gallery available to the Group, in conjunction with the proposed installation. DL and RM sent them a written proposal for a larger exhibition in their bigger gallery but have not heard back and believe this will not be accepted.

DL suggested we use the small space in FTM to show a small work by each member, plus a larger exhibition elsewhere.
