HANGING

Gallery: Light filled gallery space with industrial feel. Gallery can build walls and supply furniture if required. Please be very clear about requirements.

Wall hanging: No mirror plates. All fixings must be supplied by artist.

Height restriction + ceiling: Wall hung and suspended work is 3.5m. There is a hanging mechanism from the ceiling for suspended work. **Plinth+ AV:** Plinths are available; these are gallery style plinths in various heights. Exact dims plinths cannot be guaranteed. Anything bespoke you must provide requirements with your submission. **Installation:** If your work requires a complicated installation, you must be available to help install.

STATEMENTS

Please submit a **100 word (max) statement** about your piece via [Curtorspace.com](https://www.curtorspace.com) by **22nd January 2023**

There is no need to include your statement with your packed artwork; this would have already been received.

Your paperwork should be placed in a transparent punched poly pocket to fit into an A4 ring binder.
